## Step Three: Create an Account

- Enter a **username** and **password**. The system will tell you immediately if the username has already been taken. Usernames must be four or more characters and contain at least one non-alpha character (not including an \*, &, %, (), = or + sign). Passwords are case-sensitive and must be 6 to 32 characters long with at least one non-alpha character.
- Enter your **name** and the **e-mail address** that you want to use to recover your username, in the event you forget it.
- Select and answer three **security questions**.
- Select the **Submit** button.

**Note:** If at any time, you forget your username or password, you can select the appropriate link under the login button on the home page, and then follow the prompts.

**Account Creation** - Complete the information below to create an account. All fields are required.

## Step Four: Confirm Account Creation

Re-enter the password you created to confirm your account creation. Select the **Next** button.

**Account Creation** - The following user information has been created.

Username: sampleclient200

First Name: beth

Last Name: Doe

E-mail: gmail@yahoo.com

Please re-enter your password to protect your security

Password

## Step Five: Enter client code

Enter the client code (2-digit client code and 3 digit library code) as provided by Luminare Health.

Click the **Next** button.

### Client Registration

 Enter the client code of the client for which you are registering

Client Code: 

## Step Six: Complete Registration

With a valid code, you will see a message instructing you to provide your user ID to your account administrator to complete the registration process, and how to request additional client codes for your account.

Your account administrator or client manager will then assign permissions, activate the account, and let you know when you can start using the portal.

### Registration submitted successfully

You have completed the self-registration process. Please provide your user ID to your Account Administrator and they will activate your account. If you would like to add another client to your account, click OK. Otherwise, please click Sign Out to end your session.

Thank you!
