

Behavioral Health Care

Whether members are just getting started on their mental health journey or know just what they're looking for, Headway can help them find the right provider. Headway has reimagined therapy and psychiatry networks to help members easily connect with quality behavioral and mental health professionals.

How Headway is Changing the Game

Members need care but face challenges finding affordable, quality providers that are in-network. Headway helps by providing the nation's largest network of therapists and psychiatrists via their tech platform.

Delivering Quality Care

- Centralized performance management
- Outcome reporting capabilities
- Primary care integrations to support referrals and coordinate care

Increased Access to Care

- 3x more available appointments than typical insurance networks¹
- 24/7 access to Headway's online search and booking tools
- Care delivery within 48 hours of first contact

Enhanced Member Experience

- One-stop platform to book and manage appointments, make payments and more
- Personalized matching with filters for their clinical needs and personal preferences
- Affordable and transparent pricing before booking
- In-person or virtual care with in-network providers

How does it work?

Members go to headway.co to find a provider. There, they can filter for their preferences, such as race/ethnicity, gender, and language to find the right provider. Lastly, they add their health plan details and select an appointment. Headway handles the rest!

¹Headway, 2024.

Headway is an independent company that has contracted with EVHC, to provide the Headway program for members of self-funded medical benefit plans administered by EVHC. EVHC make no endorsements, representations or warranties regarding third-party vendors and their products and services offered by them.
