WHAT IF THE PHARMACIST WON'T ACCEPT CLEVER RX?

Let's give the pharmacist the benefit of the doubt. Mistakes happen, but in fact they **CAN ACCEPT** your savings card for applicable RX discounts. If you run into any issues, have them give us a call at (888)-879-7336. We're here to advocate on your behalf.

HOW DO I LOG INTO MY CLEVER RX APP?

If you were sent a link, it is prepopulated with your specific numbers, so all you need to do is **click the link** to download the Clever RX App. Without a link, go directly to your App Store on Android or iOS to download the Clever RX App. After downloading, enter your Group and Member ID numbers when prompted. Begin pricing over 55,000 FDA approved medications directly in the App.

IS THERE A DIFFERENCE BETWEEN USING THE CLEVER RX PHYSICAL CARD AND THE CLEVER RX APP?

Yes and no. The physical Clever RX card can only be used at the pharmacies listed on the card. Although the physical card gives you some of the best discounts at thousands of pharmacy's nationwide, using the Clever RX App grants you access to every savings option, including those on the physical card, at over 80,000 pharmacies nationwide from local brand pharmacies to mom-and-pop shops to the Big 4.
