

YES, IT'S FREE! ...and
IT'S THAT EASY!

WOULD YOU?

...like to receive a 90-day supply of your medication delivered to you instead of every month?

Your employer added a great new benefit from PriceMDs to source your medication.

EASY TO START!

A PriceMDs RN will call and guide you through the easy process!

You or a family member are eligible for this benefit. You will receive the exact same medication and keep your existing treating physician. This benefit waives any copay you may be paying every month. You will be assigned a dedicated PriceMDs RN that will coordinate all your refills.

To be eligible, you must be taking a specialty medication and on eligible through the employer benefits. Eligible members will be identified and notified that a PriceMDs RN will reach out to them to explain how the program works and to get them started.

DEDICATED NURSE

Your own personal U.S. licensed and trained Registered Nurse

FOUR MILLION

Annual imports of medication for personal use by U.S. patients

FDA Approved

All medications are FDA approved and brand name only from exact same manufacturers as in the US with mandatory FDA worksheet that documents chain of custody.

Second Opinion

This is a second opinion program with an international, US Boarded & Licensed MD & a US Boarded MD that is Licensed in the patient's state.

NO Pre-Auth

No monthly pre-authorization or paperwork to determine eligibility. Your personal RN nurse navigator takes care of all paperwork for you.

NO Obligation

You may return back to your usual method of refilling your prescription meds at any time if you are not satisfied with this program.
